**From Routledge : Corporate Environmental Management 2: Culture and Organization (Environmental Management Set)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Corporate Environmental Management 2: Culture and Organization (Environmental Management Set):

The second book in a series looking at management techniques which could be implemented by a business in order to improve its environmental performance, this text identifies the best practices and examines the key tools within the framework of corporate environmental management. Richard Welford and contributors explore the various organizational and cultural concepts which firmly place the corporate environmental management agenda within the human dimension.

About the Author Richard Welford is Professor of Business Economics at the University of Huddersfield and Director of the Centre for Corporate Environmental Management. He is the author of Corporate Environmental Management. He is the author of Corporate Environmental Management 1 (Earthscan, 1996) and Hijacking Environmentalism (Earthscan, 1997) and editor of The Earthscan Reader in Business and the Environment (Earthscan, 1996)
