following review helpful. Great book on football Ireland and alcohol By Andrew Doyle Great book that brings the memories flooding, back but also gets us to reflect on ourselves as Irish people and the journey we have taken since Jack brought us to the Euros in 1988. It also talks about the troubled relationship we have with alcohol in Ireland.

Declan Lynch recalls the great moments — Packer's save and his leap into immortality; Pavarotti's "Nessun Dorma"; and U2's "Put Yourself Under Pressure"; Kevin Sheedy's sweet strike; and all that drinking. Days of Heaven is full of hilarious accounts of how the Irish abandoned reality in that glorious time called Italia 90.
