Jason R. Rich : Design and Launch an Online Web Design Business in a Week (ClickStart Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Design and Launch an Online Web Design Business in a Week (ClickStart Series):

4 of 4 people found the following review helpful. Web Design Business in a WeekBy Kang KangStart slow and easy and then too many missing links. All kinds of mess. The Authors should review Patrick J. Lynch and Sarah Horton's "Web Style Guide" 2nd Edition ISBN 0-300-08898-1 before attempt to write good book (or for anyone who like to ...)0 of 0 people found the following review helpful. Great intro into that topic...By SamI found this book really informative. This has lots of information and is designed pretty well, too. You might skip couple pages here and there, but overall this will guide you in the right direction and tell you all you need to know about starting your own web design business.It's a great medium book to have as a reference and to pull you away from a computer and let you

focus on the big picture. This book will help you start your business and will motivate you, get it.

Are you an online artist ready to take your passion to the next level? Would you love your creative talent to be on showcase for millions to see and buy?
