From Palgrave Macmillan : Designing the European Union: From Paris to Lisbon (Palgrave Studies in European Union Politics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Designing the European Union: From Paris to Lisbon (Palgrave Studies in European Union Politics):

This book outlines the content of the main treaties that form the 'constitutional' basis of the European Union and analyses changes in these over time. The EU has expanded its policy scope and taken in many more members transferring powers to common supranational institutions in a way seen nowhere else in the world.
