**Xiaoyan Liang, Shuang Chen : Developing Skills for Economic Transformation and Social Harmony in China: A Study of Yunnan Province (Directions in Development)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Developing Skills for Economic Transformation and Social Harmony in China: A Study of Yunnan Province (Directions in Development):

This study assesses the technical and vocational education and training (TVET) system of Yunnan Province in China, including a skills-demand analysis and a review of work-based and non-formal training systems. It promotes policies for a demand-driven, high-quality, and equitable education and training system conducive to lifelong learning.
