The Open University : Developing your skills as an HR professional before purchasing it in order to gage whether or not it would be worth my time, and all praised Developing your skills as an HR professional:

0 of 0 people found the following review helpful. A couple of good pointsBy Kelvin BrownGathers one or two interesting models, other references, etc. but the original material is vague, and text is riddled with misspelled words (even considering U.K. English) and broken links. Maybe worth a quick glance as long as you are not paying anything for it.0 of 2 people found the following review helpful. Three StarsBy Deborah DahlmannNice reminders

This 9-hour free course explored the skills needed to be effective as an HR professional, including self-management skills and working in teams.
