**John Swarbrooke, Stephen J. Page : Development and Management of Visitor Attractions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Development and Management of Visitor Attractions:

Now in its second edition, the successful 'Development and Management of Visitor Attractions' has been fully revised and updated to cover the latest issues in this ever-changing area of tourism. New features/topics include:\* The Millennium Dome\* National Lottery funded projects\* International case studies\* Updated statistics and examplesThe author examines the factors that contribute to the success of visitor attractions. 'The Development and Management of Visitor Attractions' 2nd Edition, covers every aspect of the process of developing and managing different kinds of attractions. Theories explored throughout the text are illustrated through a range of examples and case studies drawn from a number of countries.

"...a well presented publication, which provides a clear and in depth perspective on attraction design."Hospitality, May 2002  
From the Publisher  
New features/topics include: \* The Millennium Dome \* National Lottery funded projects \* International case studies \* Updated statistics and examples
