**From Palgrave Macmillan : Developments in Chinese Entrepreneurship: Key Issues and Challenges** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Developments in Chinese Entrepreneurship: Key Issues and Challenges:

Developments in Chinese Entrepreneurship offers empirical evidence from cutting-edge research into the experiences and challenges of entrepreneurial activities and small business issues within China. As a leading emerging country, the entrepreneurial landscape in China provides useful insight for other developing economies in the areas of:

- Entrepreneurial finance
- The role of venture capital and angel finance in new venture development
- The influence of family dynamics on small business management
- The impact of prevailing local institutional norms and barriers on small business management
- Innovation, RD, and entrepreneurial strategies
- The impact of government policy on small business management
- Survival and growth strategies for small businesses
