Dezan Shira Associates, Chris Devonshire-Ellis : Doing Business in India (India Briefing) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doing Business in India (India Briefing):

The India Briefing Guide to Doing Business in India introduces one of the fastest growing economies in the world. The guide provides a thorough overview of India's key demographics and business opportunities and infrastructure by region. Also included is information on FDI trends, business establishment procedures, economic

zones and labor and tax considerations, analysis of Indian business etiquette and culture, and details of procedural, operational and tax differences between India and its economic and geographical neighbor, China. India Briefings's guides are leaders in their field, providing practical business insights to foreign investors in India.

From the Back CoverThe India Briefing Guide to Doing Business in India introduces one of the fastest growing economies in the world. The guide provides a thorough overview of India's key demographics and business opportunities and infrastructure by region. Also included is information on FDI trends, business establishment procedures, economic zones and labor and tax considerations, analysis of Indian business etiquette and culture, and details of procedural, operational and tax differences between India and its economic and geographical neighbor, China. India Briefings's guides are leaders in their field, providing practical business insights to foreign investors in India.
