Thomas H. Becker : Doing Business in the New Latin America: Keys to Profit in America's Next-Door Markets before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doing Business in the New Latin America: Keys to Profit in America's Next-Door Markets:

2 of 2 people found the following review helpful. Great insight on Latin American business culture By Kyle This book offers wonderful insight into how the intricacies of business practices function differently below the border. As a Latin

American Studies major who has lived and worked in Latin America, I was very familiar with the historical and culture practices that influence the professional world in Latin America, but I never understood how these influences affect the intricacies of business practice; setting up deals, negotiations, relationship building, assessing and understanding the foreign management structure. The number one positive of this book was the chapter about negotiation tips in Latin America; this part would be interesting and useful for a CEO getting ready for a big deal in Mexico City, or just anyone interested in Latin America. The only negative of the book was the repetitiveness of certain reoccurring themes (time differences, formality differences, relationship building etc.).0 of 0 people found the following review helpful. Good book! Helps to organise a marketing plan to enter the region.By Alfredo FierroThe book and its examples provide a very good strating resource to organise the entry into the region of a company that has not done business in Latin America before!0 of 2 people found the following review helpful. I think this book is helpful!By Ye LiUsing the story; I find it useful. i have a detailed understanding of Latin America's situation. I successfully completed the course

This hands-on guide teaches executives of small and medium-size U.S. companies how to establish and maintain profitable business in Mexico, Central America, South America, and the Caribbean.bull; Identifies specific selling opportunities among 20 Latin American markets and Latino buyers in the United States

"This well-researched, engaging book is a useful resource for international business collections." - ChoiceAbout the AuthorThomas H. Becker, PhD, has served in 16 Latin American countries as a U.S. Foreign Service Officer, corporate executive, U.S. Agency for International Development Chief of Party, business owner/manager, business advisor, and Senior Fulbright Scholar.
