I didn't read the reviews before I purchased/obtained the book. Also, if you can't stand spelling errors and punctuation errors, don't read this book. That stuff is important to me and makes it for easier reading. I had to stop reading it. Was there no editor of this book?0 of 0 people found the following review helpful. Basic Info for BeginnerBy Top 10 ReviewerThere are so many great books about selling on eBay! I don't see

any books are bad at all. If u're serious about selling online, read as much as you can! I do recommended this book if you're a beginner. If you're in advance level who sell more than 7 figures a year! This won't be for you7 of 7 people found the following review helpful. not helpfulBy djmIt mostly applies to selling in England. There really wasn't much of anything in it that was very helpful at all.
