From Pfeiffer : Individual Psychological Assessment: Predicting Behavior in Organizational Settings (J-B SIOP Professional Practice Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Individual Psychological Assessment: Predicting Behavior in Organizational Settings (J-B SIOP Professional

Practice Series):

A Unique Resource for a State-of-the-Art Practice Presented by the Society for Industrial and Organizational Psychology, this is the first and only work to offer readers a comprehensive look at individual psychological assessment as currently practiced in business environments. Here, you will examine the best methods and techniques now in use. You will see how assessment is being used to alter organizational cultures and achieve specific business goals. You will discover a framework you can use to make your own practice state-of-the-art. And you will benefit from thought-provoking discussions on issues vital to the field's continued success as well as informed predictions for its future. All of which makes this an essential resource any person concerned with individual psychological assessment should possess.
