before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inside Washington:
Government Resources for International Business, Sixth Edition:

This sixth edition of a national bestseller is organized the way businesspeople think--by product rather than by agency.

It is a comprehensive, yet user-friendly, resource for navigating the products and services of various U.S. and foreign government agencies as well as multilateral organizations including the International Finance Corporation and Inter-American Development Bank.
