Dennis Briscoe, Randall Schuler, Ibraiz Tarique : International Human Resource Management: Policies and Practices for Multinational Enterprises (Global HRM) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Human Resource Management: Policies and Practices for Multinational Enterprises (Global HRM):

0 of 0 people found the following review helpful. No page numbers- E-bookBy JustinBought the e-book version. This version has no page numbers which is concerning when this is a textbook with specific pages assigned as reading

material. 0 of 0 people found the following review helpful. Half the book is highlighted. The price was very ...By Brianna Batey Half the book is highlighted. The price was very low which made up for it, but it is difficult to read because of the extensive highlighting. 0 of 0 people found the following review helpful. Everything you need to know about MNEs IHRM Overseas By best website ever Excellent and informative book on IHRM policies and practices.

Thoroughly updated and expanded, the fourth edition of *International Human Resource Management: Policies and Practices for Multinational Enterprises* now includes learning objectives, discussion questions, end-of-chapter cases, and two end-of-book integrative cases. This book focuses on International Human Resource Management within multinational enterprises (MNEs) and covers topics including: the development of IHRM MNE and country culture strategic IHRM organizational structure and design international joint ventures and cross-border mergers and acquisitions labor standards, ethics and codes of conduct global talent management selection and management of international assignees training and management development compensation and benefits health and safety and crisis management international HRIS international Human Resource Management departments and professionals. Uncovering precisely why International Human Resource Management is important for success in international business and how International Human Resource Management policies and practices function within the multinational enterprise, this comprehensive textbook provides an outstanding foundation for understanding the theory and practice of International Human Resource Management. This book is essential reading for all students, lecturers and International Human Resource Management professionals.

'There is little doubt that Briscoe, Schuler and Tarique have set themselves an ambitious task in covering so much ground in this text. However, they have delivered on their objectives and produced an authoritative and comprehensive volume which reflects cutting-edge thinking and practice in the field of IHRM [...] It will be a valuable addition to the bookshelf of any reflective practitioner and will no doubt be widely adopted on IHRM courses across the globe.' - David G. Collings, *The International Journal of Human Resource Management*, Vol. 23, No. 7, April 2012, 1507-1511 About the Author Dennis Briscoe is Professor Emeritus of International Human Resource Management at the University of San Diego, USA where he taught for 29 years.
