Joshua Rosenbaum, Joshua Pearl : Investment Banking Workbook (Wiley Finance) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Investment Banking Workbook (Wiley Finance):

4 of 4 people found the following review helpful. Perfect in all aspects in order to translate knowledge into practice By Anelise P. Oliveira A much perfect aid to consolidate all knowledge conveyed by the main book, this 'assistant' issue will certainly help you to get familiar with practical matters in the area, offering a rich opportunity to learn through fully concrete applications. 5 of 5 people found the following review helpful. Must be Purchased with the Joshuas IB Book By JAMAL ABDELJABBAR Without these additional exercises, you will not benefit 100% from the Joshuas IB book. 0 of 0 people found the following review helpful. Five Stars By Simon Hodson on time and as advertised

Investment Banking WORKBOOK is the ideal complement to Investment Banking, Valuation, Leveraged Buyouts, and Mergers Acquisitions, Second Edition, enabling you to truly master and refine the core skills at the center of the world of finance. This comprehensive study guide provides an invaluable opportunity to explore your understanding of the strategies and techniques covered in the main text, before putting them to work in real-world situations. The WORKBOOK—which parallels the main book chapter by chapter—contains over 400 problem-solving exercises and multiple-choice questions. Topics reviewed include: Valuation and its various forms of analysis, including comparable companies, precedent transactions and discounted cash flow analysis; Leveraged buyouts—from the fundamentals of LBO economics and structure to detailed modeling and valuation MA sell-side tools and techniques, including an overview of an organized MA sale process
