Kip Becker : Islam and Business: Cross-Cultural and Cross-National Perspectives (Monograph Published Simultaneously as the Journal of Transna) before purchasing it in order to gage whether or not it would be worth my time, and all praised Islam and Business: Cross-Cultural and Cross-National Perspectives (Monograph Published

Simultaneously as the Journal of Transna):

Keep up with management issues in the rapidly changing Islamic business world! *Islam and Business: Cross-Cultural and Cross-National Perspectives* reviews important changes, cross-cultural differences, and management issues in the turbulent Islamic business environment. With the shift from government ownership of companies and commodities toward more open markets and the product/service diversification that this change brings, the need to understand how business is done in these countries is more vital than ever before. The research in this book will help you understand the impact of Westernization upon business practices in Islamic nations. With contributions from experts on four Islamic business environments (Turkey, Jordan, Egypt, and Lebanon), this book: provides a framework to guide corporations in policy and strategic planning examines the impact of Western reforms on selected Islamic business sectors discusses the training, leadership, and management development needs of companies doing business in or with Islamic nations Section 1: Business in Turkey presents: a framework for corporate policy making and for strategic planning activities an assessment of what can cause strategic alliances to succeed or to failmdash;illustrated by a case study of the relationship between Turkish Airlines and the Qualiflyer Groupmdash;this study considers the question in terms of goals, partner selection, alliance management, and areas of cooperation an examination of value-at-risk (VaR) models that can be used to compute market risk for financial institutionsmdash;with a study of crisis scenarios as applied to the four largest Turkish banks Section 2: Business in Jordan presents: a study of the impact Westernization has had on the efficiency of Jordanian commercial banks an examination of current practices and procedures for management training and development (MTD) needs in public and private organizations in Jordanmdash;and suggestions for future improvements an exploratory study of how national and regional socio-cultural values affect organizational culturemdash;considering such factors as Power Distance (PD), Uncertainty Avoidance (UA), the Individualism-Collectivism (IDV) dimension, and the Masculinity-Femininity (MAS) dimension, as well as power culture, role orientation, achievement culture, and the support-oriented organization Section 3: Business in Egypt and Lebanon presents: a comprehensive model of relationships between transactional and transformational leadership trust in terms of organizations, organizational justice, intention to leave, and organizational citizenship behaviormdash;using data supplied by 179 middle and direct level managers in 17 private Egyptian organizations an analysis of the factors affecting the advancement of the Lebanese tourism industry, which has suffered tremendously in the wake of civil war and political unrest The information in *Islam and Business* will be helpful to anyone practicing management or studying how management works in the Islamic world. Make it a part of your professional/teaching collection today!

"Timely, Informed, And Technically Competent. ... This is the best simple exposition that has yet been published on the relationship between islam and business. It Should Not Be Missed by anyone having a serious interest in the interaction between business on the one hand and culture and religion on the other."
