**From Asian Development Bank : Key Indicators for Asia and the Pacific 2013** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Key Indicators for Asia and the Pacific 2013:

The Key Indicators for Asia and the Pacific 2013 (Key Indicators), the 44th edition of this series, includes the latest available economic, financial, social, and environmental indicators for the 48 regional members of the Asian Development Bank. This publication aims to present the latest key statistics on development issues concerning the economies of Asia and the Pacific to a wide audience, including policy makers, development practitioners, government officials, researchers, students, and the general public. Part I of this issue of the Key Indicators is a special chapter---Asia's Economic Transformation: Where to, How, and How Fast?. Parts II and III comprise of brief, non-technical analyses and statistical tables on the Millennium Development Goals and seven other themes. This year, the 2013 edition of the Framework of Inclusive Growth Indicators, a special supplement to Key Indicators is also

included. The statistical tables in this issue of the Key Indicators may also be downloaded in MS Excel format from this website or in user-specified format at SDBS Online. The statistical tables are complemented by a visualization tool that is intended to provide users with an alternative way to look at some of the development issues concerning the economies of Asia and the Pacific.
