Kobkua Suwannathat-Pian : Kings, Country and Constitutions: Thailand's Political Development 1932-2000 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kings, Country and Constitutions: Thailand's Political Development 1932-2000:

Provides a detailed analysis of Thailand's political development since 1932, when Thailand became a constitutional monarchy, until the present. It examines the large number of different versions of the constitution which Thailand has had since 1932, and explains why the constitution has been subject to such frequent change, and why there have been so many outbursts of violent, political unrest. It explores the role of the military, and, most importantly, discusses the role of the monarchy, which, as the author shows, has been crucial in holding Thailand together through the various changes of regime. The author brings to light original and largely unseen documents from the Public Records Office and US National Archives, as well as drawing upon her extensive knowledge of politics in Thailand.

'Kobuka Suwannathat-Pian's latest book is a detailed yet readable overview of Thailand's political evolution since the

fall of the absolute monarchy in 1932.' - Sojourn, Journal of Social Issues in Southeast Asia 'The book provides a wealth of interesting details and makes a number of important and insightful points about the monarchy.' - Sojourn, Journal of Social Issues in Southeast Asia
