Santiago Druetta : La TV que no se ve (Poliedros) (Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised La TV que no se ve (Poliedros) (Spanish Edition):

Innumerable factors conditioned the development and characteristics of Argentine television. Who stops in them, discovering a web of social relations, political struggles, economic questions, cultural factors and economic interests, often invisible, or at least diffuse. These groups attempt to investigate about that development, always in reference to other television models from Latin America and attending to the conditioning factors, that is, the political and economic struggles, as well as the dominant thought currents in the academic field and those that managed to crystallize as "sense"

comuacuterdquo; de cada eacute;poca. Con las imaginables e inevitables limitaciones de una empresa tan ambiciosa, se pretende avanzar en un esfuerzo integrador nada neutral, que opta por un particular modo de ver lo menos visible de esta industria de la mirada. Industria que es tambieacuterdquo; una herramienta especial en la lucha por definir la manera legiacutetima de comprender el mundo.
