Maarten van Klaveren, Denis Gregory, Thorsten Schulten : Minimum Wages, Collective Bargaining and Economic Development in Asia and Europe: A Labour Perspective before purchasing it in order to gage whether or not it would be worth my time, and all praised Minimum Wages, Collective Bargaining and Economic

Development in Asia and Europe: A Labour Perspective:

This book offers a labour perspective on wage-setting institutions, collective bargaining and economic development. Sixteen country chapters, eight on Asia and eight on Europe, focus in particular on the role and effectiveness of minimum wages in the context of national trends in income inequality, economic development, and social security.
