Ted Edlich : Navigating the Nonprofit Rapids: Strategies Tactics for Running a Nonprofit Company before purchasing it in order to gage whether or not it would be worth my time, and all praised Navigating the Nonprofit Rapids: Strategies Tactics for Running a Nonprofit Company:

Are you looking to make a real difference in your community? Are you in academia looking for a textbook for teaching students who are studying nonprofit leadership? Do you have a passion to bring about change that will benefit others? Are you looking for a way to harness that passion and give it some organizational muscle and backbone? Are you on the hunt for a career you love, not just work that pays the bills? Are you involved in a nonprofit that is not living up to its potential? Then this book is for you! Discover the lessons of great nonprofit leadership that will sharpen your vision, give it structure that works, and make it a force to be reckoned with. You'll be excited and inspired by those like yourself who have done extraordinary work. With *Navigating the Nonprofit Rapids*, you'll discover lessons that have immediate application, and that making a difference is the real adventure of a lifetime.
