PBVery Good Read!3 of 3 people found the following review helpful. Two thumbs upBy CustomerThere is coherence between all of the contributed pieces of writing from different authors. The content - perspectives and facts - will prove timeless. I got the book less than a week ago and know I will go back to it often. Kudos.

This book focuses on coaching leaders in the context of the organizational systems within which they lead, drawing on the curriculum of the Georgetown University Leadership Coaching Certificate Program, one of the premier coach training programs in the world and the only one with this particular focus.

"On Becoming a Leadership Coach is a truly remarkable and accessible resource. It vividly captures a wide array of insights, skills, perspectives and techniques for those interested in leadership coaching. A deeply talented team of contributors has produced a unique compendium with enduring value." - Bill Lindberg, President, The Ash Grove Group
