ADB, ADBI : Pacific Opportunities: Leveraging Asia's Growth before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pacific Opportunities: Leveraging Asia's Growth:

This copublished book represents an initial effort to analyze and discern some of the main trends driving economic relations between Asia and the Pacific. It aims to assess how the Pacific developing member countries can better tap into opportunities arising from Asian growth, and overcome constraints to mutually beneficial economic ties between the two regions.

About the Author The Asian Development Bank Institute (ADBI) is the think tank of the Asian Development Bank (ADB). It was established in 1997 to identify effective development strategies and to improve development management in ADB's developing member countries.
