**Shivani : Passion @ Work** before purchasing it in order to gage whether or not it would be worth my time, and all praised Passion @ Work:

In this practical and generous book, Shivani tells her story of leaving the corporate world and climbing her own ladder of success in small business.

About the Author Shivani is a motivational speaker, business coach, and workshop facilitator. She has won the Telstra Young Business Woman of the Year award and is an honorary member of the Golden Key Society.
