Corey Sandler, Janice Keefe : Performance Appraisals That Work: Features 150 Samples for Every Situation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Performance Appraisals That Work: Features 150 Samples for Every Situation:

1 of 1 people found the following review helpful. Pretty good start
By T Hill
This book provides a pretty good start to most performance reviews. There are two types of appraisal assistance texts out there, the one that has complete appraisal examples and the type that has useful appraisal phrases. This book contains entire appraisal paragraphs. If you have never written an appraisal before, this book is a good place to start. If you have some experience, you may be better served by a phrase book.
0 of 0 people found the following review helpful. Must-have Resource
By Onepah
This is a must-have resource for supervisors or others responsible for evaluating employee performance. It's a time-saver and takes the headache (or at least some of it) away from the task of having to find the words to concisely and

comprehensibly describe performance behaviors. The book is clearly organized and easy to use. 0 of 0 people found the following review helpful. Very Helpful Book
By Brenda
This book was very helpful and instrumental in my completing reviews for a staff of 20 that I supervise. The book arrived shortly after ordering and I was able to use lines and paragraphs from the book. I was able to change words in sentences that were in the book. Overall the book was very helpful to finish reviews in a short time that I had procrastinated in completing.

It's review time again, and yet you can't find the time or the energy to write those appraisals. You draw a blank when faced with those intimidating HR forms. You struggle to document productivity and behavioral issues. You wish there were an easier way. With *Performance Appraisals That Work*, you'll never fight to find the right words for evaluations again. Chock full of more than 150 sample performance appraisals for all job types, this comprehensive reference guide gives you everything you need to write appropriate evaluations with ease and accuracy - from documenting and rewarding stellar performance to laying the groundwork for disciplinary action. Writing employee performance reviews need never stress you out again. With *Performance Appraisals That Work*, you'll improve the quality of your evaluations, save time and increase your productivity, and stop dreading review time for good.
