**Robert Bacal : Performance Management 2/E (Briefcase Books Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Performance Management 2/E (Briefcase Books Series):

1 of 1 people found the following review helpful. This is a great resource. I used in a class I took ...By Katie K.This is a great resource. I used in a class I took recently and found it very easy to read and apply. It's not your run of the mill (dry and boring) book on performance management but rather a practical tool that should be on every manager's bookshelf. It contains great illustrations of real-life situations that show why traditional forms of management and

performance appraisal often are not effective and how impactful real performance management can be. 0 of 0 people found the following review helpful. Three Stars By wmosmanOk, was part of a curriculum 0 of 0 people found the following review helpful. Quality Book By Customer This was a quality book, but it felt like some of the information was outdated for the 21st century workplace.

Proven strategies for maximizing employee commitment and performance As a manager, you know that employee performance is your most important asset—but are you making smart, well-thought-out efforts to leverage it to its fullest? Managers' Guide to Performance Management helps you get the most out of your people by focusing on performance planning (instead of appraising), creating a dialog (instead of issuing directives), and solving problems (instead of pointing blame). Learn how to: Work with employees to create goals that are beneficial to everyone Observe, gather data on, and document performance Conduct performance reviews in a cooperative, collaborative way Address thorny situations proactively and professionally Leverage the powerful but often misunderstood process of "progressive discipline" Briefcase Books, written specifically for today's busy manager, feature eye-catching icons, checklists, and sidebars to guide managers step-by-step through everyday workplace situations. Look for these innovative design features to help you navigate through each page: + Clear definitions of key terms and concepts+ Tactics and strategies for managing performance+ Tips for executing the tactics in the book+ Practical advice for minimizing the possibility of error+ Warning signs for when things are about to go wrong+ Examples of successful performance management+ Specific planning procedures, tactics, and hands-on techniques
