**Ellen Feldman, Nancy Wolf : *Plastics: America's Packaging Dilemma* (Island Press Critical Issues Series)**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Plastics: America's Packaging Dilemma* (Island Press Critical Issues Series):

0 of 0 people found the following review helpful. Three Stars By Hans Dewitte Good basic information, easy to read, but outdated.

Plastics explains what plastics are, how they are made, how they are used, and the problems and opportunities they bring.

About the Author Nancy Wolf, former Executive Director of the Environmental Action Coalition, has been actively engaged in the environmental field for two decades when this book was published. Her work has included the development of written and audio-visual materials for teachers and students. As an advisor to New York City and New York State governments, she has served on numerous commissions, particularly those pertaining to solid-waste management. Ms. Wolf
