Carey I wish I had read this when it first came out and the stories and players were more relevant . I have read several of Feinstein books and this is another well researched and written book but it is past its shelf limit. 0 of 0 people found the following review helpful. Excellent Read By Janice G. Innocenti This lives up to the reputation of John Feinstein's excellent writing style. He deals with true life and people giving the inside stories in sports. It is the fourth book I have read by

him. They all rated 5 stars. Ralph0 of 0 people found the following review helpful. Five StarsBy david L. petrygreat
