Dr James Williams, James Williams : Professional Leadership in Schools: Effective Middle Management and Subject Leadership (Creating Success) before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Leadership in Schools: Effective Middle Management and Subject Leadership (Creating Success):

0 of 0 people found the following review helpful. Five StarsBy CustomerYou rock!

Middle managers in secondary schools are being asked to develop and display first class management skills. This text

seeks to meet the needs of those who need to develop and update skills for their present job, or who are preparing for the next step into more senior management.

About the Author James Williams taught in a number of schools before moving to Brunel University Department of Education, where he is Lecturer in Science Education and responsible for the Education Management MA.
