From Routledge : Public Personnel Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Personnel Management:

0 of 0 people found the following review helpful. was able to return it easily for full refundBy roccopavesefound out i didnt need this book, was able to return it easily for full refund. thank you2 of 2 people found the following review helpful. Great Book!By darkdiva34With all the books one has to get for class, this one did indeed help me to better understand the required information.0 of 0 people found the following review helpful. Five StarsBy CustomerRequired text for MPA class.

Updated in a new 5th edition, *Public Personnel Management*, by Norma M. Riccucci, is a concise and accessible reader containing all original articles addressing the most current issues in public personnel management. Written expressly for the text by leading scholars, all of the articles are either new to this edition or substantially revised. Each article focuses on specific—often controversial—issues in public personnel management, such as comparative personnel management, pensions, sexuality, health, succession planning, unions, and the multi-generational workforce.

“I highly recommend this reader. Through interesting and well-written chapters, it reinforces core material and introduces students to increasingly important and specialized topics not covered in most basic texts.”
— Gene A. Brewer, University of Georgia
About the Author
Norma M. Riccucci is Professor at Rutgers University, USA.
