From University of Nebraska Press : Remaking the North American Food System: Strategies for Sustainability (Our Sustainable Future) before purchasing it in order to gage whether or not it would be worth my time, and all

praised *Remaking the North American Food System: Strategies for Sustainability (Our Sustainable Future)*:

Food and agriculture are in the news daily. Stories in the media highlight issues of abundance, deprivation, pleasure, risk, health, community, and identity. *Remaking the North American Food System* examines the resurgence of interest in rebuilding the links between agricultural production and food consumption as a way to overcome some of the negative implications of industrial and globalizing trends in the food and agricultural system.
