Conor Kenny : Sales Tales: True Stories of How Great Sales Happen before purchasing it in order to gage whether or not it would be worth my time, and all praised Sales Tales: True Stories of How Great Sales Happen:

0 of 0 people found the following review helpful. Great book for any sales professionalBy CustomerSimple reading and great insights to real situations that any seller will go through in their careers. Thoughtful and intelligent .. this book inspires me to do better. And I've read many sales books over my 20 years as a career seller0 of 0 people found the following review helpful. Great readBy Trevor MooreExcellent and loved real life stories. Going to read it again as wrote by someone who has great experience and guile0 of 0 people found the following review helpful. Succinct GemBy Orla CaffreyReally enjoyed this sales bible which is packed full of personal experiences that hammer home the secrets of selling why many of us still get the fundamentals so wrong. Very legible throughout with nuggets of wisdom gained over years of observation. Really liked the emphasis on the need to err living in the now. The book is

both an excellent introduction to the world of selling plus good reading for those already active successful in sales.

For the past 30 years, Conor Kenny has learnt to sell largely by making lots of mistakes and working hard to understand what inspires a reaction and what it is that makes people buy or not. SALES TALES is based on his personal experience and real encounters in pursuit of sales excellence. The purpose of the book is to tell real-life stories, each underpinned with a powerful lesson that helped Conor sell the next time around. In the early 1990s, Conor worked for a family business in London, whose head, Arnold, was wise, successful and wealthy. Conor had made a costly mistake in his youthful eagerness to sell. The next day, he was summoned to Arnold's office. He was nervous and feared the worst. In a soft voice, Arnold said, "Conor, good decisions come from wisdom. Wisdom comes from experience. Experience comes from bad decisions". That is how we learn, how we really learn. Sometimes, to believe the fire is hot, you need to get burnt. When you do, there is no book better than raw experience. SALES TALES is based on Conor's occasional mis-step into the fire. It is a book of real stories – sales stories that will help you to be a better sales person and to make more sales. It will guide you in sales, in your career and in life.

About the Author CONOR KENNY is Principal at Conor Kenny Associates, which he founded in 2002. His skill is teaching and training the art of Business, Sales and Marketing to the Service, Hospitality and Small Business sectors and growing the talent within. An expert communicator and strategist, his career started in Kilkenny Design, followed by the Irish Pub Company and McNally Design Group.
