Seung Ho Park, Gerardo R. Ungson, Andrew Cosgrove : Scaling the Tail: Managing Profitable Growth in Emerging Markets before purchasing it in order to gage whether or not it would be worth my time, and all praised Scaling the Tail: Managing Profitable Growth in Emerging Markets:

This book presents a framework for a different type of profitable growth for multinational companies in emerging markets: "scaling the tail." This model focuses on specialized market niches, flanking particular segments and product-

categories, developing deeply nuanced localization strategies, and installing supportive management systems.
